Four injured in five separate
collisions, \$11,000 damages

Minden OPP were again busy this past week with 21 collisions reported and 173 general occurrences investigated.

Among the investigations were three break-ins, six compassionate messages delivered, 18 persons charged with liquor violations and five people were charged with impaired driving.

CAR SHEARS OFF HYDRO POLE, DRIVER OK

At 8:40 pm on Saturday, Aug. 9th a two vehicle collision occurred on South Water Street in Minden.

Wayne Walmsley 23, of Scarborough, was northbound on South Water following a car driven by Gary Hare 20, of Burlington. Walmsley pulled out and passed Hare, sideswiping his car as he attempted to pull back in front of the Hare vehicle. The collision forced the Hare car off the road. Walmsley's car continued north, went out of control on a curve left the road and sheared off a hydro pole on the west side.

Police report no injuries in the mishap and that Walmsley has been charged with careless driving and impaired driving. Damages totalled \$2700 with \$2000 to the Walmsley car. PC Smith.

TORONTO WOMAN IS INJURED

Early last Friday morning, Aug. 8th, a Toronto woman suffered minor injuries following a single-vehicle mishap on Hwy. 530 near Maple Lake.

Wendy Johnston 23, was eastbound when she lost control of her car on the wet pavement rounding a curve and entered the south ditch where the car rolled over. Police report no charges and set damages at \$2000. PC Gary Chapman.

POLICE LAY FIVE CHARGES AFTER COLLISION

A Haliburton man and three passengers in his car have been charged following a single-car collision on Cty. Road 3 on Monday, August 11th at 1:25 am.

Brent Colliver 20, received minor cuts and bruises, when the car he was driving on Cty. Road 3 southbound, entered the west ditch and rolled over. Police report Colliver has been charged with careless driving and failing to wear a seat belt assembly. Three passengers in the vehicle were also charged with the seat belt violation. PC Boyd Jarvis.

SCARBOROUGH MAN IS CHARGED

Early Sunday morning a Scarborough man was charged following a two car collision on Cty. Rd. 7.

Gerald Scott 40, of Peterborough was northbound at about 12:10 am when his 1980 car was struck by a southbound vehicle driven by Norman Morrison 51, of Scarborough on the crest of a hill.

Morrison received minor injuries in the collision and has been charged with driving left of centre. The Morrison's stationwagon received \$1000 in damage while the Scott's car suffered \$600 damage. PC Boyd Jarvis.

WILLOWDALE WOMAN INJURED, CHARGED

Jennifer Smith 21 of Willowdale suffered minor injuries in a single-car collision on Highway 121 west of the Ingoldsby turn Saturday evening Aug. 9.

Smith was driving her car eastbound, lost control and entered the south ditch rolling over.

"Fantasy Four" played at County Fair

MINDEN — The "Fantasy Four" a new group of local musicians, delighted the crowd at this year's fair. They just formed their group prior to the fair getting underway but they had a country-rock sound that got your feet tapping. The group played at the beer garden on Satur-

day and then supplied the music for the amateur contest Sunday. Left to right, Ray Jenkins on piano from West Guilford, Marg Swanton guitar, Irondale; Rick English guitar, Haliburton and Jack McDonagh guitar, Haliburton.

Cardiff man killed in coll.

A motor vehicle accident on Highway 121, about three kilometres west of Cardiff has claimed the life of a local resident of the village.

On Friday, Aug. 1st shortly after 8:30 pm, Gordon William Dennis, aged 37, was driving his GMC pickup truck eastbound. Travelling at what police describe as "a high rate of speed" Mr. Dennis was across the centre lane when his vehicle struck a west bound car driven by David Edward Holland 31, of Ottawa.

Mr. Holland was driving a 1975 Gremlin and had slowed to a near stop as he saw the pickup approaching him.

The impact of the accident drove Holland's vehicle into the guardrail on the north side of the road. It bounced off, crossed the road, entering the ditch on the south side.

Meanwhile, the Dennis vehicle continued for another 70 metres along the highway, and struck a rock cut. It bounced from the rock and came to rest on the road.

Mr. Dennis was pronounced dead at the scene by Dr. Harry Good of Haliburton. David Holland and his passenger, Barbara Camfield 32, also of Ottawa, both received minor injuries and were taken to Bancroft hospital and later released.

Police report Smith was charged with careless driving following the mishap. Damages were set at \$3000 to the car. PC Boyd Jarvis.

Brave Can. efforts in Tehran
repaid with acid rain, OFAH

In an open letter to the United States media, the Ontario Federation of Anglers and Hunters bluntly asks the following:

What happened to the US gratitude over the liberation of Americans through our Canadian embassy in Tehran?

Is the brave efforts of Canadians to be repaid by millions of tons of deadly acid rain? Apparently so!

At a time when, concerned people all around the world are trying to stop acid rain, US President Carter blatantly plans to increase it. His mass conversion to coal fired electrical generating stations will kill fish, vegetation and tourism. The real effect on human beings is yet to be determined.

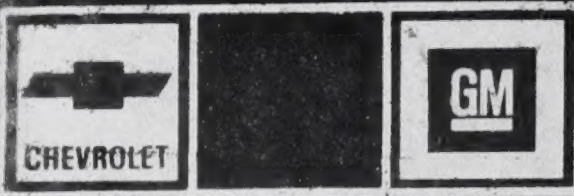

It is time for all citizens of the US to demand that their legislators stop acid rain. The death of American and Canadian lakes and life through acid rain must not continue.

Stop the coal conversion! Stop the acid rain! Our environment has issued its warning.

Young PCs to discuss alternate
energy, acid rain at meeting

At their upcoming annual meeting to be held Sept. 5, 6, 7 at the Sheraton Brock Hotel in Niagara Falls, the Ontario Progressive Conservative Youth Association will be examining the problem of oil sup-

LEASING & RENTAL

CURRY MOTORS

VERY LITTLE DOWN WHEN YOU LEASE A NEW CAR FROM US

That's because your deposit on a new leased car can be substantially less than what you'd put down to buy a new car. What's more, you'll never fret over what your lease car is worth at trade-in time because your car will never get too old.

Each monthly-leasing payment also covers such costs of enjoying a new car as financing, depreciation, taxes.

There are other solid reasons for leasing a new Chevrolet from us. So, come on in. Let's discuss the lease plan ... and that new Chevrolet ... that fit your needs.

And your pocketbook.

Old bank notes on display at Minden T-D, Aug. 18, Sept. 26

MINDEN — A display of bank notes from Toronto Dominion Bank's old money collection will be exhibited at its South Water Street branch beginning Aug. 18 and ending Sept. 26.

The exhibit will be available for public viewing during regular bank hours and in addition to the old notes an antique gold weighing scale will also be on display.

Included in the two displays of over 25 old bank notes will be an 1857 \$1 note from the City Bank, a \$3 note issued by the Farmer's Joint Stock Banking Company in 1849, and a 1863 \$1 note from St. Stephen's Bank and a \$5 note issued by the Maritime Bank of the Dominion of Canada in 1881.

The display illustrate the rapid evolution of money in Canada. The first paper money issued was "playing card" money, in common use for approximately 75 years in the colony of New France. Few examples of this money exist today, probably because retention after the redemption date was punishable by death.

Later, bank notes were issued by private bankers and merchants, predominantly in Lower Canada. During the pre-Confederation 1850's and 1860's, banks obtained charters and issued their own currencies. The central bank, the Bank of Canada, was created in 1934 and given sole responsibility for the issue of paper currency in Canada.

In 1935, the first paper notes of the Bank of Canada were issued, with each denomination being bilingual for the first time. During the next 15 years the chartered banks were requested to decrease their notes by percentages. By 1950, in accordance with the program, chartered banks paid to the Bank of Canada sufficient funds to redeem the amount of their notes still in the hands of the public — over \$13 million. The last note of the Bank of Toronto was issued in 1937 and the Dominion Bank issued its final note in 1938. Today, few people see anything but Bank of Canada notes except in collections or exhibits.

Commenting on the display, branch manager, Al Mayo said: "We are very pleased to bring this collection of old bank notes to Minden. I hope that many people will get a chance to come into our branch and enjoy these fascinating examples of our past."

Little Joey Nicholson

BANCROFT — The biggest crowd pleaser at this year's Rockhound Gemboree was comedian Joey Nicholson from Minden. It was fascinating to watch orchestra members switch from stunned disbelief to helpless laughter at the antics of this comic. Mr. Nicholson, for his part, got the microphone to make all the noises it shouldn't and yes, that's his chewing gum slung across it. He has been a comic since 1966 and this was his 14th appearance at the Gemboree in Bancroft.

Jean and Clarence Bey are a daughter-father team from Barro, Pennsylvania. This is their first time at the Rockhound Gemboree, and remarked with enthusiasm, "Oh, yeah, beautiful country... the people are so nice." The Bays, like many of the exhibitors at the Rockhound Gemboree, had fossil fish for sale. This sample is from Green River, Wyoming, and was one of many the Bays had on display. They had also had an exhibit at the international show at Tucson, Arizona, last February.

Srs. questionnaire distributed

HALIBURTON.— The Haliburton County Home Support Services survey of the needs of residents 55 years and over is in progress.

Questionnaires have gone out in all townships and it is requested, that answers be returned by Aug. 31st, when an assessment will be made of the requirements in each locality and the organization of volunteers set up to look after those needs.

This has been a large task done by volunteers. There have been, undoubtedly errors and omissions. The names were taken from township assessment rolls, therefore, those not owning land were missed.

Anyone who has not received a copy can pick one up at any Post Office or call 457-2921 and it will be mailed.

Bill Introduced To Increase Benefits To Veterans

Increasing benefits to thousands of Canadian veterans and their widows and children was tabled in the House of Commons today by Veterans Affairs Minister Daniel J.

MacDonald.

The first of two major changes contained in the legislation will eventually clear the way for pensions to be paid to an additional 26,000 widows and 10,000

children.

At present, pensions are only paid to widows and dependent children of disability pensioners who were in receipt of pensions for disabilities which have been assessed at 48 per cent or more and to widows and children of veterans who died as a result of military service.

Mr. MacDonald said that the new amendments will lower the qualification ceiling over the next 6½ years until the dependents of all veterans who were receiving pensions of five per cent or more will receive a monthly pension.

The first stage is scheduled for October 1 when those in the 38 per cent to 47 per cent category will become eligible. As a result 1,500 widows will start receiving monthly pensions ranging from \$185 to \$208. Also, additional payments will be made in respect of 600 children of former disability pensioners.

Thereafter, the ceiling will be systematically lowered or April 1 of each of the next six years until 1986-87 by which time 26,000 widows and 10,000 children will be benefiting at an annual cost of \$43.2 million.

These numbers include widows and children of former prisoners of war who receive identical treatment under the legislation.

The second major change

involves increased payments for more than 50,000 recipients of War Veterans and Civilian War Allowances, Mr. MacDonald announced.

At the moment there are 94,000 War Veterans Allowance recipients with more than 50,000 under the age of 65. The remainder, being over 65, receive the bulk of their federal income support from the Old Age Security and Guaranteed Income Supplement program.

Because the War Veterans Allowance income-testing formula exempts a portion of these payments to those over 65, a single recipient under 65 presently receives \$70 a month less than the older recipient. Married recipients receive \$85 less.

Mr. MacDonald said the intent of the original legislation was to treat all War Veterans Allowance recipients the same regardless of age. Amendments tabled in the House today will ensure the return to equal levels of income support by April, 1986.

To do this, Mr. MacDonald is proposing to increase the basic War Veterans Allowance rate as of July 1 by \$10 a month for single recipients and \$12 a month for married recipients. At the same time, the allowable amount of exemptions for Old Age Security and Guaranteed Income Supplements will be lowered by an identical amount. The same process will be followed over the next six years.

"Those over 65 will not be affected by these changes one way or the other", Mr. MacDonald said, "but by April 1986 single and married recipients under 65 will be receiving an extra \$70 and \$85 a month respectively, in addition to the normal cost of living increases. Then the income gap between the ages will have been completely closed."

Another major feature of the proposed legislation is that all future increases in the Old Age Security Pension and the Guaranteed Income Supplement will be automatically passed along to all

veterans and widows receiving War Veterans Allowance regardless of age.

There are presently 25,000 single recipients under 65, including 15,000 widows, and 26,000 married recipients.

Their present monthly allowance is \$365.62 for singles and \$625.93 for married couples.

The Bill provides for the first increase in the War Veterans Allowance basic rate since 1973.

Cost of the increases will be \$5.2 million this year rising to \$28.1 million in 1984-85.

Mr. MacDonald also announced that another item in the Bill will enable more than 2,000 First World War Veterans to become eligible for War Veterans Allowance.

At present, if a First World War veteran had served in the United Kingdom for less than 365 days prior to November 12, 1918, he is not eligible for allowances. No such service restriction applies to veterans of the Second World War.

Cost of removing this inequity is estimated at \$1.5 million annually.

Huntsville Gulf capt. accepts champions trophy

MINDEN — Rockcliffe Hotel Hustlers executives Larry Kent and Jack Snell present the Carling O'Keefe trophy to the winning Huntsville Gulf fastball team after they

downed a very fine Scarborough team (left) 8-3, in the championship game of the Haliburton County Fair fast-ball tournament, held in Minden over the weekend. Eight

teams took part in this, the fourth annual tournament, from as far away as Toronto. The games were fast, exciting and drew large crowds each day.

MINDEN — Hundreds lined the bleachers and surrounding hillside overlooking the ball park here on Saturday and Sunday and were treated to some fine fastball action in the 4th annual Haliburton County Fair fastball tournament.

Again this year there were eight teams entered the host — Minden's Rockcliffe Hotel Hustlers plus Fenelon Falls Victoria Sports (defending champions) Huntsville Gulf, Huntsville Leslie M. Adams, Scarborough DJR Vinyl, Wexford Raiders, Toronto Eccelstone and Kinmount Orioles.

When the final pitch crossed the plate about 6:30 pm on Sunday, the Huntsville Gulf team had captured the 1980 Carling trophy as Fair champions. Gulf downed Scarborough Vinyl 8-3 to win the final game. Earlier, 1979 Fair champions, Fenelon, captured the Consolation Final by dropping the Wexford Raiders 8-4.

The biggest disappointment in the games were the local squad, the Rockcliffe Hustlers. Odds on favorite to make it to the finals and on their seasons record in both league and tournament action, were picked by many to win. However, they opened against Toronto Eccelstone and won with a slim 3-2 victory. Craig Stamp gave the Hustlers all the runs

they needed in the third with a two-run homer over the right-centre field fence. This upped the score to 3-1 and from the third to the seventh they hung on to win. Jack Snell continued his brilliant play of the year, pitching a fine seven hitter. Barry Shaw opened the Hustler scoring in the second with a lead off homer to tie 1-1. Rod Tanaka took the loss for Toronto.

The Hustlers then tangled with Huntsville Gulf in the semi-finals Saturday evening the Gulf boys doubled up 4-2 on the home team. This eliminated Minden from further tournament action and put Huntsville into the championship game.

Stamp was the losing pitcher but also supplied both runs in the contest, a two run homer, his second in two games. Norm Raynor was the winning pitcher.

COMPLETE TOURNAMENT RESULTS

Game 1—Huntsville Gulf 4, Fenelon Falls 1, winning pitcher Rene Pelletier, losing pitcher Glen Sheehy, Hr. Pelletier (1).

Game 2—Minden Hustlers 3, Toronto Eccelstone 2, WP Jack Snell, LP R. Tanaka, Hr. Stamp and Shaw.

Game 3—Huntsville Leslie Adams 10, Kinmount O. 6, WP Brian Quintin, LP H. Fountain, HR: H. Fountain and G. Newell (K).

Metro Carnarvon outdoor concert is a hit on Sunday

STANHOPE — Over 400 country-western music lovers enjoyed Metropolitan Carnarvon's first outdoor concert at Stanhope International Airport on Sunday afternoon.

Featuring the music and singing of Jeff Barry's Barry Pickers, the three-hour jamboree contained many unusual features. Co-sponsored by the Metro-Carnarvon Board of Trade and Wine Tasting Society, the Stanhope Airport Committee, Air Haliburton

Sports View

NANCY LOPEZ, recent darling of the Ladies Professional Golf Association, fell into a slump in the first half of 1980. The key to recovery: concentration.

Ltd., and the Parachute School of Toronto, this particular concert had all the ingredients for being different — and it was.

Co-incidentally, two local students at the Parachute School made their very first jumps just before the music started. Doris Wolm and Joe Hughes, both from Metro Carnarvon, impressed the crowd with their performances.

An "official" ribbon cutting ceremony was presided over by the Mayor of Carnarvon, Ali Hogg. The ribbon was cut by Bruce Potter, Ministry of Industry and Tourism. Also present was Barry Dobson from the Ministry of Industry and Tourism offices at Barrie.

The concert and outdoor activities were such a success, organizers have already planned for a similar outing on the Sunday of Labour Day weekend, featuring the Cedar Creek Blue Grass band.

Hustlers end season on winning note, trounce Bobcaygeon 14-1

MINDEN — The Rockcliffe Hotel Hustlers wrapped up the Tri County league season last Wednesday evening on their home turf with a resounding 14-1 thrashing of the Bobcaygeon Brewers. Craig Stamp was the leader on the attack, cracking out two home runs and tossing a seven hitter at the Brewers.

The Brewers got their only run in the top of the first inning when Don Crosbie singled and scored on a triple by Joe Barrieu.

Then the Hustlers scored six times in the bottom of the first, added three in the third, four more in the fifth and one in the sixth.

Crosbie took the loss for the Brewers, giving up 14 runs on 12 hits, walked six and fanned one. Stamp gave up one run on seven hits and fanned six.

Play-offs begin tonight at 8 pm when the Hustlers meet the Brewers again. Three other teams are involved for the playoff title.

Light is right for the 80's camper

Lightweight is the right weight when you consider what today's small car can carry on a camping holiday.

The economy-conscious 1980's dictate a drastic change in camping lifestyle for many families. It is no longer practical to pack a bus-sized station wagon with luggage, huge cottage style tents, dining tents, bulky appliances and cases of canned food.

The number of small car tent campers is increasing at such a rate that special measures are being taken to cater to them.

As Don Lowe, senior vice-president of Campgrounds of America, Inc., (KOA) puts it: "Tenters mean big business for us. With a substantial portion of our visitors being tent campers, we are continually developing sites with

them in mind."

Campground owners that want to keep up with the times now offer modern campers all the amenities needed for a comfortable stay. Most KOA camp-

grounds have a fully stocked grocery store which eliminates the need for carrying along bundles of food. Campers can keep just enough staples on hand for convenience, without having to store large amounts.

Tent appliance manufacturers have also been anticipating the move to compact camping and many 1980 lines include weekend size coolers, one-burner stoves, or even more practical - a combination barbecue grill, oven and two-burner campstove.

Tents range from nylon models that pop up in seconds to traditional canvas models which are compact and lightweight.

Whether you want to explore the wilderness or tour a city, there's probably a KOA campground near by.

The KOA at Wawa, Ontario, is the epitome of a wilderness park, surrounded as it is by thick boreal forest. Spacious tent sites are situated beneath trees

Small car families camp the lightweight way - with a tent and compact appliances.

grants for three years to eight
prevention programs**

Eight community-based organizations throughout the province will receive awards totalling approximately \$626,000 annually for three years to carry out primary prevention programs, Keith C. Norton, Minister of Community and Social Services announced.

These programs are designed to test theories in the area of prevention and to provide the Ministry with information to be used in helping to determine future policy directions.

Other programs are still under consideration which will bring the total money awarded to \$700,000.

This money is part of the \$1 million allocation announced by Mr. Norton in October to find ways and means of reducing the incidence of serious social problems affecting children and families. The remaining \$300,000 has been divided equally among the four regional sectors of Ontario. Each region will receive \$75,000 to be used as incentive money to encourage children's services agencies in their area to initiate or further develop prevention projects. Specific details on these projects will be available shortly.

The eight organizations to receive awards are as follows:

Sudbury Algoma Sanatorium a mental health facility in Sudbury will receive up to \$117,000 for a program aimed at families and children in three high risk communities. This project serves large francophone and native populations, will

vide recreational activities and counselling for teens while at the same time providing help in both languages to assist parents to develop their parenting skills. Workers will also be working with Ojibway families to help them increase their language and communication skills. For further information contact: Dr. Tony Miller, Director, Community Clinics (705) 675-9192.

The Parent Preschool Resources Centre and the Community Services Boards of Pinecrest-

Queensway, and Lower-town in Ottawa will receive up to \$113,000 to develop parent-child drop-in programs, self-help parent groups, and links with crisis support services in two high risk communities. These are communities considered to have a high risk of developing social problems because of such factors as a high proportion of single parents, families dependent on welfare, population density, and limited recreational facilities. For further information contact: Bob Cooke, Coordinator, Pinecrest-Queensway Community Centre, (613) 820-4922.

Adventure Place, a children's mental health centre in North York, will receive up to \$100,000 for a project aimed at identifying children with a high risk of developing social problems due to their living situations and helping the parents of those children improve their parenting skills. In addition, through this project, workers will also go into day care centres and classrooms and help teachers and parents work with potential problem children. For more information contact: Mary Williams, Adventure Place Coordinator, (416) 340-1111.

Rev. Don Lutherwood, at St. John's Centre for Health in Woodstock will receive up to \$100,000 to develop support programs for children and families in a community considered to have a high risk of developing social problems because of such factors as a high proportion of single parents, families dependent on welfare, population density, limited recreational facilities and so on. The project will also aim at encouraging the development of community groups and leaders to carry on self-help work. For further information contact: Rev. Dieter F. Kays, Lutherwood Executive Director (519) 884-1470.

The Jamaican-Canadian Association in Toronto will receive up to \$60,000 for home visits, parent

meetings, booster programs for children, and shelter for children in crisis. This project is aimed at serving the immigrant community in the Jane-Finch area of North York. For further information contact: Mr. Mel Thompson, President, Jamaican-Canadian Association, Toronto (416) 223-1354.

Stay Healthy Early Program in Peterborough will receive up to \$60,000 to provide a help for pregnant women such as single, teenage and first-time mothers considered to have a high risk of developing parenting problems. This assistance will continue through pregnancy and into the child's infancy and pre-school years.

* THANK YOU

I would like to take this opportunity to thank everyone who helped in the Stanhope Fun Days.

Mr. Art Hunt and Committee (Club 35) for the Bingo, Dr. Bennett in judging the dog show, the Ontario Science Centre, Mr. Muise and the Boy Scouts for the parking, OPP Officer McNeil and his Police-Dog Scout, all the volunteers for the help and the ladies with their crafts, Mr. Cooper and Mr. Pitts for trying to get the hay off the field in time and the Fire Department for their display and also the gentlemen with their antique cars.

A special thank you to the young people who helped all day and to those who helped serve at the Seniors Tea.

To each and every committee for their time and effort, and most of all to you, the public, for coming out and making it a success. Thank you.

Mrs. Ann Barker,
Chairwoman
Stanhope Fun Days.

Samantha READS YOUR STARS

If you were born this week: You are warm-hearted and generous. You have a lot of pride and your dignity is important. You will do almost anything if asked nicely, but you loathe orders. You have a marvelous sense of humor, enjoy parties and lap up being in the limelight of center stage.

ARIES (3-21/4-19): Though you like to do things your way, Aries, you'll do well to be open to others' suggestions and methods. Three-part harmony just can't be sung in a solo performance, babe. Full moon on last day sets a challenge.

TAURUS (4-20/5-20): Dividing your time won't be easy in week ahead, Taurus. The demands on you are many, and you'll likely feel more pressed than popular. Days may include an unexpected meeting, a Trojan horse and a sunshiny close.

GEMINI (5-21/6-20): Certain gears that have been clashing a bit mesh into place this week, Gem. Budget matters and an S.O.S. are highlighted. Later, try your best to be objective, or you'll be subject to being bamboozled, babe!

MOONCHILD (6-21/7-22): Romantic shenanigans get your week off to a sexy, provocative and sassy start, Moonbaby. Then, listen to your head, as your heart may be prone to confused feelings. Latter days bring about a close encounter.

LEO (7-23/8-22): Unforeseen problem at home can turn out to be a blessing in disguise. It's up to you to make it so, though, Leo. Then, romantic glitter may be solid 24K, or it could be fool's gold. Finally, celebrate your birthday!

VIRGO (8-23/9-22): Good news arrives and you begin to see a certain issue in a different light, Virgo. Be prepared to deal with a flaky lady, and watch for one who stretches the truth a tad. Week ends with kisses and hugs all around.

LIBRA (9-23/10-23): Be careful of impulse buying, Libby; it could put quite a dent in your pocketbook. Then, trust your instincts, even though they may be at variance to logic. Latter days may bring the world you've waited for. Hurray!

SCORPIO (10-24/11-22): Stake out your position, Scorp, but don't dig in yet, for you're very apt to change your mind. Stay far away from shady financial schemes; in fact, you'd be smart to keep your checkbook shut tightly. Later, a call.

SAGITTARIUS (11-23/12-21): Trod the straight and narrow this week, Saj dear. I'm afraid you can't get away with much of anything right now. (Sorry about that!) Make sure the mischief you choose is wholesome. Wholesome? Yep!

CAPRICORN (12-22/1-19): Although you prefer to plan ahead, don't listen to gossip, and, of course, don't spread any either! Latter days bring a choice, a meeting, and a bonus.

AQUARIUS (1-20/2-19): Fly low, Aquari, and avoid becoming embroiled in emotional kettles. Watch the company you keep. You might grab a friendly Sagittarius and help keep him from straying. (You can be company for each

other!) Full moon howls.

PISCES (2-20/3-20): Romance and rumors keep you busy and rather stirred up in week ahead, Pisces. Remember that even so-called authorities can

Fishermen: OFAH is looking for your whopper now

The Ontario Federation of Anglers and Hunters, operators of the province-wide "Big Fish Contest" have not yet received any entries for their large-mouth bass, smallmouth bass or salmon awards. In addition, only one muskilongie has been entered.

The Big Fish Contest gives 15 cash awards in

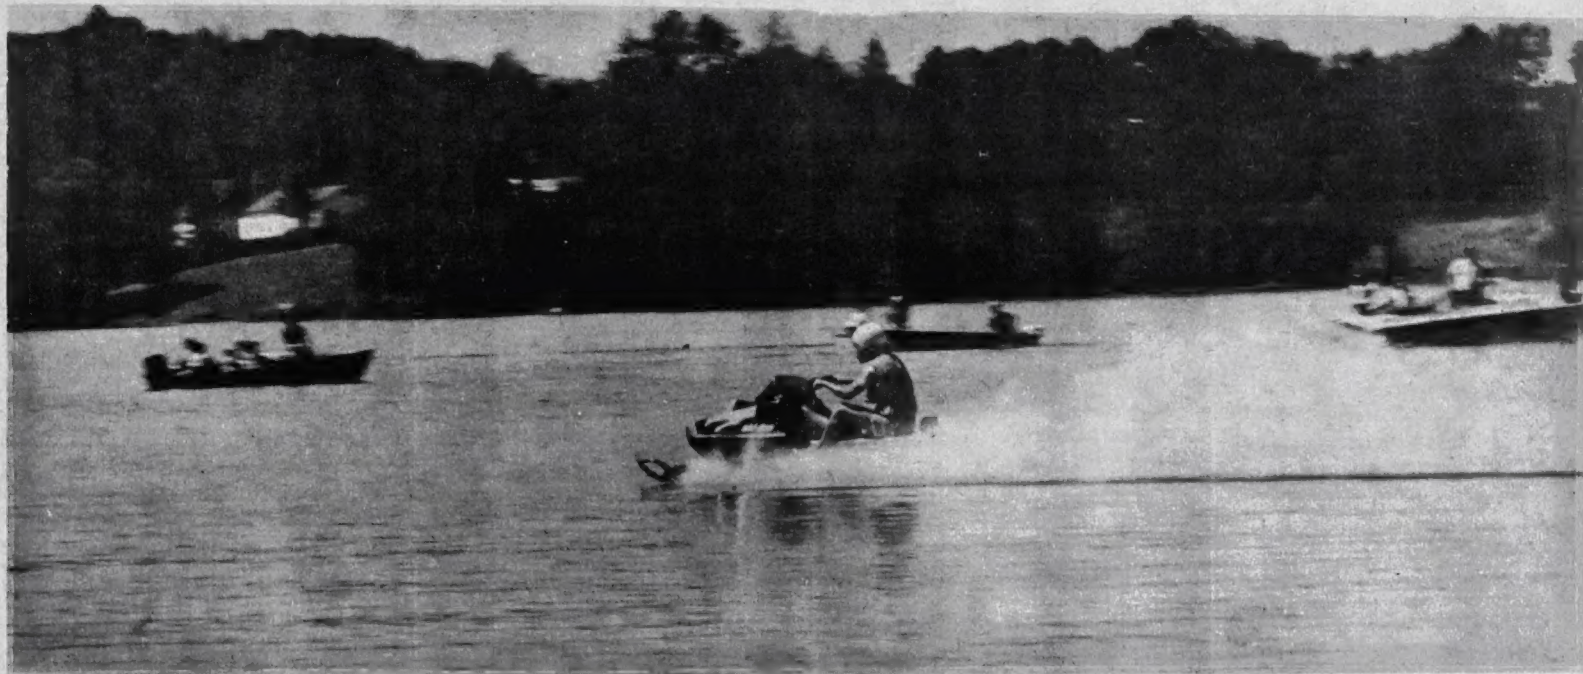

Haliburton Highlands
the heart of getaway country

each of nine different categories, a total of \$4,500. Every entry over minimum weight standards receives a beautiful print taken from the original art of noted Canadian wildlife artist, Michael Dumas.

In reviewing this year's entries in the 22 year old contest, OFAH executive vice president Rick Morgan was puzzled. I can't understand the low number of entries at this point in time. It's a most unusual year. Interestingly enough, we find northern pike entered that are larger than the one muskie. Although the contest doesn't close until November 30th, fishermen should enter their catches early. The Canadian Honour Award is well worth obtaining.
